Chairman Kevin J. Martin
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Chairman Martin,

On behalf of everyone at the Atlanta Community Food Bank, our 800 partner agencies, and the 42,000 Georgians served each week, we would like to recognize V103 for their steadfast support in the fight against hunger. V103 has consistently been one of the most dedicated radio stations to embrace our mission: to fight hunger by engaging, educating and empowering our community.

For more than a decade, V103 has done a tremendous job in their sponsorship of the annual Hunger Walk/Run. Each year, V103 on-air talent and support staff promote the Walk in such a way that you know they believe in our cause. They fully support this event with pre-recorded PSAs, live interviews, and on-air promotion. They bring a high level of energy and enthusiasm to the stage show on the day of the Walk.

We feel very fortunate to have a strong working relationship with V103. Who knows how many walkers, volunteers and donors have become involved because they heard about the Food Bank on V103. We wish there was a way to count them, because we are certain there are thousands.

Sincerely,

Bill Bolling
Executive Director
Atlanta Community Food Bank
